

Curtailment of a Trip

In order to support the process of your Curtailment of a Trip Claim, we have put together a checklist to ensure you include the correct paperwork to support your claim. Please ensure you read this carefully as failure to supply the correct documents may delay our assessment of your claim.

Your Checklist of Documents Required

- All holiday booking documents showing dates of trip and all costs, including travel and accommodation.
- Curtailment Reason – *if due to illness or injury of a relative in the UK this means the medical certificate within the claim form completed by the GP of the person concerned; if due to your own illness this means confirmation from the doctor that advised you to return home.*
- If you are claiming for the complete loss of a specific part of your trip we would need to see proof of cost and that no refund was possible.
- Any Unused Flight Tickets.

Please consider the environment before printing this checklist. We **do not** require the checklist to be printed and returned.
