

Curtailment of a Trip

In order to support the process of your Curtailment of a Trip Claim, we have put together a checklist to ensure you include the correct paperwork to support your claim. Please ensure you read this carefully as failure to supply the correct documents may delay our assessment of your claim.

Your Checklist of Documents Required

Please Note: We do not require original receipts, passports, EHIC's, death certificates or CD's for the initial claims set up, a top tip is to take a clear photo of your receipts and email them over to us.

Please ensure you keep the originals safe in case we do still require them.

No need to staple your papers either; the full contents of each envelope we receive are immediately scanned onto our computer system, and having to remove staples may damage the papers which could delay your claim!

- All Completed Claim Form** – You should complete all sections relevant to your claim, save a copy and email to us with all the requested supporting documentation as listed below.
- Insurance certificate** – Including any medical declarations. This will confirm who you purchased your insurance from and the cover agreed.
- Booking invoice(s)** – With full details of your trip booking (inbound and outbound flight, accommodation, transfers etc.) These documents need to include the booking date, travel dates, destination, names of all people booked to travel/ stay and confirm how much money you paid for the booking.
- If you cut your trip short due to illness or injury of a relative in the UK** – The medical certificate within the claim form will be need to be completed by the GP of the person who was ill or injured.
- If you cut your trip short due to your own illness or injury**- Confirmation from the treating doctor that advised you to return home will be needed. If you were brought home by our team, then this information will already be on file.
- If you cut your trip short due to any other reason not listed above** – We will need you to provide supporting documentation showing the reason why you were forced to return home earlier than planned and we may ask for further more specific information depending on the reason you returned.
- If you are claiming for any unused part of your trip** – We would need to see proof of the price paid and confirmation that no refund was possible.
- If you are claiming for any additional transport** – Any Booking invoice(s). These documents must show the date of travel and the monies paid for the booking.

Please make sure you keep the originals documentation and receipts unless we request them from you. If we do then please send them to us by recorded delivery and keep a receipt of proof. Please note that all documentation is destroyed after 3-months to comply with our responsibilities under the Data Protection Act.

Please be aware that in all instances we accept the original reason or circumstances described when a claim is notified or submitted, any change in circumstances or claim description that is submitted at a later date will be referred to our investigations team in line with our fraud prevention policy.

Please consider the environment before printing this checklist. We **do not** require the checklist to be printed and returned.
